

2014 ALICE API GOLF TOURNAMENT

Another great golf tournament is over and done!

This year's tournament was the biggest yet!! And the coolest one, too!! We traded shorts and sunburns for pants and jackets this year!

Thank you to everyone who participated – either by swinging clubs and chasing golf balls, or with your very much appreciated sponsorship dollars. We added a great amount to our scholarship fund! In turn, we will give that out to our deserving college students!!

A huge thank you to all the cookers who kept us happy and fed with all the GREAT and abundant food throughout the course! And thanks to that wonderful and refreshing Ainsworth Trucking Bottled Water from David Ainsworth to keep us hydrated during the weekend. Thank you to Arnold Garcia (Nova Directional, Inc.), Darin Dieringer (Gyrodatta), Michael Kolodziej (Ainsworth Trucking), and Steven Saenz (Ainsworth Trucking) for the labor of love of replenishing all the ice chests all weekend long!

Again, THANK YOU! And see ya'll next year!

Now, for the results!!

You will find the winners for the Friday Scramble, Flight winners for Sat/Sun, and Hole Prize winners. Results will also be posted on the website: www.aliceapi.com
